The Music Assistantships are awarded by the faculty and the Assistantship Committee on the basis of the following criteria:

- Ability to present a positive image of the Department of Music
- Practical skills
- Attitude toward work
- Dependability
- Past participation in departmental activities
- Career potential
- Grade point average
- Financial need

First preference will be given to any music major enrolled at the University. Second preference will be to any enrolled student at the University who has a minor in music. Third preference will be to any enrolled student at the University.

On a separate sheet of paper, please write why you feel you qualify for an assistantship. Address as many of the points listed above as possible. Your response should be complete and limited to one page. In addition, please submit a letter of recommendation from an applied teacher, a director, or someone familiar with your abilities and work ethic.

If awarded an Assistantship, are there any areas in which you would prefer **not** to work?
